Day of Prayer for Marriage and Family Life

This Tuesday 11th July

Theme: Grandparents and Great Grandparents
The Joy of Love: Pope Francis

We must reawaken the collective sense of gratitude,
of appreciation, of hospitality, which makes the elderly
feel like a living part of the community. Our elderly are
men and women, fathers and mothers, who came before
us on our own road, in our own house, in our daily battle
for a worthy life.

Very often it is grandparents who ensure that the most
important values are passed down to their grandchildren,
and many people can testify that they owe their initiation
to the Christian life to their grandparents. Their words,
their affection or simply their presence help children
realise that history did not begin with them, that they are
now part of an age-old pilgrimage and that they need to
respect all that came before them

Wednesday 26th July
is the feast of Saints Joachim & Ann,
the parents of Mary and the Grandparents of Jesus
*The 9.30 am Mass in St. Patrick's
will be offered for all grandparents and grandchildren
followed with a cup of tea and chat
