Some advice when visiting the graveyard

- Ensure your car is locked with all windows closed
- Remove any valuables and place in boot, better still leave at home if possible.
- Thieves target ladies handbags, cameras, binoculars & sat navs, basically any item that can be quickly sold on
- Persons acting suspiciously i.e. loitering in the area should be kept under observation and the Gardaí contacted

Reflection: Receiving the Word
The word of God is to the human heart what a seed is to the earth. However, just as a seed needs soil, so the word needs a receptive heart. The earth responds to the rain and sun so that even the desert blooms. But the arid human heart has the power to resist so that it remains barren. Lord, soften our hearts with your grace, open them with your gentle love, so that the precious seed of your word may take root in our hearts, and bear fruit in our lives.
