Some advice

The end of July and month of August is the traditional
time for graveyard ceremonies. Unfortunately thieves
target parked cars of persons attending the ceremonies
Ensure your car is locked with all windows closed.

1. Remove any valuables and place in the boot before
you set out to attend the ceremonies - better still
remove items and leave at home if possible
2. Thieves are targeting ladies handbags, cameras,
binoculars & sat navs, basically any item that can
be quickly sold on.
3. Parked cars will be checked discreetly by the thieves
who will return when the ceremonies are proceeding.
4. Persons acting suspiciously i.e. loitering in the area
should be kept under observation and Gardaí
contacted
