Reflection

The greatest evil in the world

Mother Teresa said:

"Many today are starving for ordinary
bread.

But there is another kind of hunger—
the hunger to be wanted, to be loved,
to be recognised.

Nakedness too is not just the want of
clothes,
but also about loss of dignity, purity,
and self-respect.

And homelessness is not just want of
a house;

there is the homelessness of being
rejected, of being

unwanted in a throwaway society.
The biggest disease in the world
today

is the feeling of being unwanted and
uncared for.

The greatest evil in the world is lack of
love, the terrible indifference towards
one's neighbour"

Lord, warm our cold hearts with your
grace, so that we your disciples may
produce the fruits of love
