Parking in Chapel Street

Residents in Chapel Street have complained that
during Mass times they are unable to move their cars.
One lady who had an appointment last weekend was
unable to go due to the fact that the cars parked in front
and back of her were so close to her car.

*We also ask people to respect the spaces marked
Church Parking*

These spaces are intended for the elderly and
disabled attending church and so often they are
taken up by well abled bodies.

So please a little respect for one another
