Catholic Schools Week

Commences next
Sunday 28th January
The theme this year is:
**Catholic Schools: Called to
be a Family of Families**

Dublin, Ireland, has been
chosen by Pope Francis to
host the World Meeting of Families 2018
from 21-26 August. Families and others from
all over the world will gather in Dublin to
celebrate their lives together, to share their
experiences from different parts of the world, to
reflect on the different challenges they face and
to grow together in faith.

This event presents a special opportunity for
school families to not only celebrate the fact that
parents are the primary educators of their children,
but also the vital role that Catholic schools play in
assisting parents in their duty to raise their
children. They are asked to reflect on and to
celebrate the relationship that exists between
home, school and parish

11 am Mass on Sunday 4th February

in aid of the local St. Vincent de Paul.
Filmmakers and food lovers Jen and Grant dive into
the issue of food waste from farm, through retail,
all the way to the back of their own fridge. After
catching a glimpse of the billions of dollars of good
food that is tossed each year in North America, they
pledge to quit grocery shopping and survive only
on discarded food. What they find is truly shocking.
