Catholic Schools Week
Commences

Sunday 28th January

The theme this year is:

Catholic Schools: Called to be a Family of Families

Dublin, Ireland, has been chosen by Pope Francis to

host the World Meeting of Families 2018 from 21-26 August. Families and others from all over the world will gather in Dublin to celebrate their lives together, to share their experiences from different parts of the world, to reflect on the different challenges they face and to grow together in faith.

This event presents a special opportunity for school families to not only celebrate the fact that parents are the primary educators of their children, but also the vital role that Catholic schools play in assisting parents in their duty to raise their children. They are asked to reflect on and to celebrate the relationship that exists between home, school and parish

9.30am Mass on Thursday 1st February

First Friday - 2nd February

The sick and housebound of the parish will be visited as usual on Friday.
