Pastoral Centre at 10.45 am (weather permitting)

followed by procession to the church.

Palm Sunday begins the final journey of Jesus towards Jerusalem, a journey from "Hosanna!" to "Crucify!"

We are invited to walk with Jesus, to keep him company on the way. We are facing the mystery of suffering and death in the life of Christ. In our own lives, we cannot escape this confrontation. We each travel our own unique journey, our personal pathway to Calvary. We do not know what the journey may mean for us, and where it might end.

Take time this week to read the story of Jesus entry into Jerusalem. How do I feel about journeying with him through the events of Holy Week and beyond?

## Reflection

*This prayer was found in a German concentration camp at the end of the last war. It was written on a scrap of paper. We know the terrible things that happened in the camps. Yet this prayer speaks not of revenge, but of forgiveness.*

Lord,  
Remember not only people of good will but also those of ill will.

Do not remember only the sufferings that have been inflicted on us, but remember too the fruit we have bought as a result of this suffering:

The comradeship and loyalty, the humility and courage, the generosity and greatness of heart that has grown out of it.

And when they come to judgement, let all the fruits we have borne be their forgiveness.

Father, forgive them, for they know not what they do.
