Wednesday 11th April **Theme: All Families**
The Joy of Love: Pope Francis

1. Within the community of faith, especially in our Catholic tradition, the family is seen as the Domestic Church, the Church of the home.
2. It is in the home that Christian faith is at its best and sometimes also at its worst. The home is a community that is rooted in love. It is also a community that is committed to love as its way of life. It is where each person has the best chance to be loved as she or he is;
3. But the family cannot find its way on its own. The parish community is vital for the growth and well-being of each family. It is from the parish community that the family can be reminded of the values we hold in following Christ. And it is there also that each family can find support in trying to live out those values of love and generosity and faith.

I intend to have a little remembrance of him at his parents grave in the Old Abbey Graveyard on Sunday 29th April at 4 p.m.to which everyone who wishes to come will be very welcome. Despite a lot of work and phone calls etc. I cannot get any information re. Marian Maguire nee Gallagher, mother of Francis Maguire and his two sisters, Margaret Mary and Kathleen Rose. Marian Gallagher was born circa 1859 and died aged 47 in Nov.1906.
