Some advice

July and August is the traditional time for graveyard
ceremonies. Unfortunately thieves target parked cars
of persons attending the ceremonies

- Ensure your car is locked with all windows closed
- Remove any valuables and place in boot, better still
leave at home if possible
- Thieves target ladies handbags, cameras, binoculars
basically any item that can be quickly sold on
- Persons acting suspiciously, loitering in the area
should be kept under observation and the Gardai
contacted

Communion Reflection

Mother Teresa tells how once in India
she came across a family
that hadn't eaten for days.

It was a Hindu family.

So she took a small quantity of rice
and gave it to that family.

What happened surprised her.

Before she knew where she was
the mother of the family
had divided the rice into two halves.
Then she took half of it to the family next door,
which happened to be a Moslem family.

Seeing this she turned to the mother and asked:
"How much will you have left over?
Are there not enough of yourselves?"
And the woman replied simply:
"But they haven't eaten for days either".

"That" says Mother Teresa, "takes greatness"
Her greatness consisted in being able
to look beyond her own need
