Prayer

God, our heavenly Father,
grant us the fortitude of

Christ your Son to face the Covid-19 crisis
with trust, patience and compassion.

Give us the grace of the Holy Spirit
to free us from fear and look forward
together to the future with healing and hope.

May the intercession of Saint Joseph,
the guardian of Jesus, with Mary his mother
and Mother of the Church,
guide us through this time of peril,
preserve us in peace, protect the vulnerable,
health care workers and all who serve society,
at home and abroad

Seeing your Life through the Lens of the Gospel

Jesus recognised that his disciples were
not capable of taking in everything at
once. Wisdom about life comes slowly
and sometimes painfully. Hearing the
'right' answer at the 'wrong' time does
not help us. We need to be ready and
open to receiving the truth if it is to have
any impact. Perhaps you can recall some
occasions when it was the 'right' time for
you to learn a truth about life.
Remember your experiences of growth
in understanding.

The Spirit can guide us to understanding
in different settings. Understanding may
have come to you when you were praying
or reflecting on your life. Perhaps the
Spirit guided you through the words of
someone close to you, or through the
words and actions of people you read
about or saw on TV. Remember and give
thanks for the people who have helped
you to greater wisdom in life.

The Spirit also speaks to us through 'the
signs of the times'. The church has lived
through a troubled decade or two and
society has been through a turbulent
year with the pandemic. How do you
think the Spirit is speaking to us at
this time?

Wisdom is handed on from person to
person, and from generation to
generation, within families, within
communities, etc. Are there any
particular gems of wisdom that you
cherish from what has been handed on
to you? What wisdom would you like most
of all to pass on to those close to you?
